## Daisy's Perfect Word

A fresh and fun story about one girl's search for the perfect word.

Curly-haired Daisy likes picking lemons on sunny days, playing kickball and making long dandelion chains. But more than any of these things, she loves words and even compiles lists of her favorites in a bright green notebook covered with purple polka dots. When Daisy's beloved teacher, Miss Goldner, becomes engaged and must move to another town, Daisy decides to give her the ultimate gift: the perfect word. But with so many good words to choose from, finding just the right one isn't easy.

**Sandra V. Feder** lives in the San Francisco Bay Area with her husband and three daughters. She loves playing with words. Two of her current favorites are *sunshine* and *delicious*.

**Susan Mitchell** has illustrated more than a dozen picture books, including the recently published *Reaching*. Originally from Scotland, she now lives in Montreal, Quebec.
